In addition, Applicants have not received any papers in this case following the Filing Receipt, which was mailed July 26, 1999, because all correspondence has been directed to the incorrect correspondence address. Therefore, Applicants request that any papers issued by the Patent Office in this case after that date be sent to the above corrected correspondence address.

Applicants note that a Utility Patent Application transmittal form was sent to the Patent Office, together with the subject application, in which the Customer Number for the subject application was provided.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
